

Troy, Michigan, November 7, 2011: Systems Technology Group, Inc. (STG) is pleased to announce the award of IT Application Maintenance and Management services contract from one of the worlds leading manufacturing companies.

Master Brand Cabinets, part of the Fortune Brands companies, has awarded STG a 3 year IT Services Application Maintenance and Management Services contract. The scope of services include providing application development, application enhancements and maintenance support services across several technology platforms including Web Platforms, IBM Mainframe and AS400 legacy platforms, Data Warehouse Business Intelligence and EDI transaction platforms.

STG will provide services leveraging an onsite and offshore delivery model.

STG and Master Brand Cabinets commenced their business relationship in 2008. STG is pleased to have won this contract award and looks forward to continue providing our client with innovative cost effective solutions for years to come.

About Systems Technology Group, Inc. (STG)
