

**Troy, Michigan, June 29, 2015:** Systems Technology Group, Inc. (STG) is pleased to announce that the Popat Family has made a \$25,000 donation to help build the brand new Ronald McDonald's House at DMC Children's Hospital of Detroit.

The Ronald McDonald's House is a place for anyone who has a child receiving active inpatient or active outpatient treatment at a local hospital, and has a child 21 years of age or younger are welcome to stay at the Ronald McDonald House of Detroit.

Believing that every child deserves a safe and supportive place to grow, Ronald McDonald House Charities of Southeastern Michigan creates, finds and supports programs that directly improve the health and well-being of children. They fulfill their mission by providing a home-away-from-home for families of seriously ill children, managing programs that help deliver health services to children in under-served communities, and by providing grants to nonprofit organizations for programs that enable seriously ill children to live happier, healthier lives.

Kanu Popat, STG's Co-Founder, had a strong passion and belief for families helping and supporting one another.
