

Troy, Michigan, May 21, 2021: Systems Technology Group, Inc. (STG) is pleased to announce our sponsorship to the Junior Achievement of Southeastern Michigan and their annual Trivia Challenge.

Junior Achievement USA is the world's largest organization dedicated to giving young people the knowledge and skills they need to own their economic success, plan for their future, and make smart academic and economic choices.

Junior Achievement's mission is to inspire and prepare young people to succeed in a global economy. Junior Achievement programs are designed to ignite the spark in young people to experience and realize the opportunities and realities of work and life in the 21st century.

Junior Achievement of Southeastern Michigan has been serving K-12 students in this region since 1949. Programs are delivered by corporate and community volunteers, and provide relevant, hands-on experiences that give students, kindergarten through high school, knowledge and skills in financial literacy, work readiness, and entrepreneurship.

STG is proud to support our community and helping make an impact in the communities we serve in.
