

Troy, Michigan, June 23, 2021: Systems Technology Group, Inc. (STG) is pleased to announce our continued support to the Detroit Children's Fund Annual Golf fundraiser. STG supports Detroit Children's Fund (www.detroitchildrensfund.org) dedication to equity and inclusion, fulfilling a social responsibility to educate all children in the city of Detroit.

Detroit Children's Fund is a non-profit committed to helping Detroit children receive the quality education they deserve. DCF accomplishes this by helping make leaders stronger, teachers more effective and school systems more successful. By being laser-focused on school quality, DCF is investing in the hopes, dreams, and future of Detroit children.

STG is proud to support philanthropic efforts whose mission is to educate children and ensure an equal opportunity for all.
